

Use our virtual
floor fitting app to:

Help you choose the
perfect Karndean floor
for your room

Change the direction that
the floor is laid

Save and share your
favourites

Karndean
Design flooring

View a Karndean floor
in your home today:

- 1 Download our virtual floor fitting app to your iPhone or iPad. Search 'Karndean' in the App Store.
- 2 Put me on the floor with the arrow going in the direction you want the planks or tiles to run.
- 3 Follow the app's on screen prompts and you'll be on your way to view our full catalogue of floors in your home today. You can also share your favourites with friends and family by email or on Facebook.
